03	Cap Existing Wells	2 ea	\$ _____	\$ _____

SECTION C

I. STATEMENT OF WORK

C.1 Statement of Work: The Contractor shall provide labor, supervision, plant, materials, equipment and supplies to drill a water well in the Robert W. Craig Campground area at Jennings Randolph Lake, West Virginia in accordance with the following special conditions, specifications and drawings.

C.1.1 Location: Jennings Randolph Lake is located in Garrett County, Maryland and Mineral County, West Virginia, on the North Branch Potomac River, is 7.9 miles upstream from the mouth of Savage River. The Robert W. Craig Campground is located in Mineral County, West Virginia.

II. SPECIAL CONDITIONS

C.2 Site Inspections: For the benefit of prospective bidders, an on-site inspection is recommended. To arrange for an inspection on site prior to bidding, contact the Park Manager, Jan Gonzales or his designate at (301) 359-3861 or (304) 355-2346.

C.2.1 Commencement of Work: All work will commence within 30 calendar days after notification of award of bid and be completed within 30 calendar days of award date. The start date will be coordinated with the Park Manager.

C.2.2 Performance of Work: The Contractor shall perform work only during normal Corps of Engineers duty hours (7:30 a.m. to 4:00 p.m., Monday through Friday, excluding national holidays). Exceptions to this condition must be coordinated with and approved in advance by the Park Manager, Jennings Randolph Lake Project.

C.2.3 Accident Prevention: In performing this contract, the Contractor shall comply with all current State and Local safety regulations, including personal safety requirements contained within the Corps of Engineers Safety and Health Requirement Manual EM 385-1-1, and shall comply with any subsequent changes. The Corps of Engineers Safety and Health Requirement Manual 385-1-1 may be found on the World Wide Web <http://www.hq.usace.army.mil/ceso/cesopub.htm>.

C.2.4 Accident Reporting: In the event of an accident or injury involving contractor personnel or equipment in performance of work, the Contractor shall immediately notify the Government representative by the most expedient means feasible. If instructed so, the Contractor shall complete forms furnished, and/or provide a written description of the incident within 24 hours of notification to do so.

C.2.5 Operations and Storage Areas: The Contractor shall confine all operations (including storage of materials) to areas authorized or approved by the Park Manager or his designate. The Contractor shall hold and save the Government, its officers and agents free and harmless from liability of any nature occasioned by the Contractor's performance.

C.2.6 Housekeeping: The Contractor shall keep the work area, including storage areas, free from accumulation of waste materials. Before completing the work, the Contractor shall remove from the work site and premises, any rubbish, tools, equipment, and materials that are not the property of the Government. Upon completing the work, the Contractor shall restore the work area to the original condition, satisfactory to the Contracting Officer.

C.2.7 Permits and Licenses: The Contractor at his/her own expense shall obtain any license or permits required to perform the contract. The Contractor shall comply with all State and Local laws and regulations and shall comply with any subsequent changes.

C.2.8 Superintendent: The Contractor shall act as, or provide a Superintendent who is responsible for quality control whenever the work specified herein is being performed. The Superintendent shall conduct overall management coordination and be the central point of contact with the Government for performance of all work under this contract. The Superintendent and any individual designated to act for him/her shall have full authority to contractually commit the Contractor for prompt action on matters pertaining to the administration of the entire contract. Such authorization shall be submitted in writing to the Government representative. The Superintendent shall deal directly with the designated, for the normal day-to-day administration of the contract provisions. The Superintendent will be required to attend pre-work conference prior to commencing work under this contract.

C.2.9 Project Operation: Jennings Randolph Lake is a flood control project and the Contractor's access to the work area and the execution of the requirements specified herein shall not interfere with the daily operations of the dam or employees. It is the responsibility of the Contractor to coordinate all work with the Park Manager or his designate.

III. SPECIFICATIONS

C.3 General: The Contractor shall provide all labor, plant, equipment, tools, and materials necessary for the drilling the water well and pump installation.

C.3.1 Well Construction: The depth of the permanent well and number of screens provided shall be adequate to produce a sustained capacity of at least 10 gallons/minute of treatable water.

C.3.2 Pump Requirements: The contractor will provide and install a pump that will operate at final drilling depth to deliver a surface flow rate of 10GPM. Contract modification will be required for authorized drilling beyond 350 feet.

C.3.3 Existing Well Capping: The Contractor shall provide all labor, equipment, tools, and materials necessary for permanently capping two existing wells in the compound area of the Robert W. Craig Campground in accordance with all State and Local regulations. Wells are 70 foot and 60 foot deep respectively.

SECTION G

MEASUREMENT AND PAYMENT

G.1 General: Measurement and payment shall be made on a lump-sum basis upon the satisfactory completion of work. Payment shall constitute full compensation for providing all labor, equipment, materials, supplies, tools, and incidentals required to fulfill all of the requirements of this contract.

G.1.1 Well Construction: (Ref. C.3.1) The contractor will be compensated for the drilling depth necessary to attain the required flow rate and water quality as specified. The initial 40 feet will be paid at the rate of \$8.00/LF including drilling and casing. Each additional foot of drilling required will be paid at the rate of \$15.00/LF including drilling and casing to a maximum of 350 feet. An additional 10% Incentive Fee will be payable if the work is completed within 30 days of contract award.

G.1.2 Pump Requirements: (Ref. C.3.2) Payment will be based material, parts, and labor costs. An additional 10% Incentive Fee will be payable if the work is completed within 30 days of contract award.

G.1.3 Existing Well Capping: (Ref. C.3.3) The Contractor be paid for all labor, plant, equipment, tools, and materials necessary for permanently capping two existing wells in the compound area of the Robert W. Craig Campground in accordance with all State and Local regulations. An additional 10% Incentive Fee will be payable if the work is completed within 30 days of contract award.

G.2 Upon satisfaction of the contract, the Contractor shall submit invoice (s) for payment to:

Original Invoice Forwarded To:

U.S. Army Corps of Engineers
Jennings Randolph Lake Project
PO Box 247
Elk Garden, WV 26717

Payment will be made by:

USACE Finance Center
ATTN: EFT/Disbursing
5720 Millington, TN 38054-5005

G.2.1 The Invoice should be submitted within five calendar days after notification of acceptance of work. Invoice must provide:

- (a) Contractor's name and mailing address
- (b) Contract/Purchase Order Number
- (c) Date prepared
- (d) Itemized costing where applicable

G.2.2 Questions regarding preparation and forwarding of invoice maybe directed to the Jennings Randolph Lake Office, telephone: (301) 359-3861.
