SCOPE OF WORK

SCOPE OF WORK

This is a project to install a fence at 2200 Champlain Street, N.W., Washington D.C. The contractor will furnish and install approximately 304 linear feet of chain link fence, 8' high with one 5' pedestrian gate and one set of 10' double gates at the above referenced location. The materials will consist of the following:

- ? Fabric shall be 8' high, 9 gauge, 2" diamond mesh black vinyl 'BONDED' wire
- ? Framework and posts shall be galvanized and coated to conform to manufacture's standard
- ? Ends, corners, and gateposts shall be 3" black vinyl coated schedule #40 pipe weighing 5.79 lbs per linear foot
- ? Line posts shall be 2 1/2" black vinyl coated schedule #40 pipe weighing 3.65 lbs per linear foot
- ? Top rails shall be 1 5/8" black vinyl coated schedule #40 pipe weighing 2.28 lbs per linear foot
- ? Ends, corners, and gateposts shall be braced to the nearest adjacent post with a one and five eights inch OD black vinyl coated schedule #40 pipe weighing 2.28 lbs per linear foot
- ? Posts shall be set in a minimum of 36" of concrete and will be spaced no farther apart than 10 feet
- ? A 7-gauge high carbon steel coil spring tension wire shall be installed along the bottom of the fence. The bottom tension wire shall be installed approximately 6" above grade
- ? Fittings shall be galvanized malleable iron or pressed steel; all bands shall be beveled-edge, and of a non-climbable type
- ? The pedestrian gate frames shall be 1 5/8" schedule #40 pipe weighing 2.28 lbs per linear foot. Gates shall be equipped with a locking mechanism that will accommodate a padlock
- ? All posts shall be set true to line and grade. Gates shall be hung squarely and all fabric shall be stretched taut. All work shall be done by trained personnel with previous experience in fence installation
- ? Fence is to be installed flush to the ground
- ? Clear and haul all existing fence, approximately 347 linear feet. Level one large stump and several small stumps to the ground

Amendment – In order to improve the alignment of the fence along the southern perimeter of the property and to account for an 8' wide gate that was omitted from the specifications listed above:

- ? Fabricate and install new 8' high x 8' wide black vinyl coated single gate using the existing posts. These posts shall be painted black to match the new gate.
- ? Fabricate eight offset posts so that the chain link fence can be placed in the center of the existing 5 1/2" wide concrete curb on the south perimeter of the property and paint them black to match the new vinyl fence.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (ii)).

In the listing above, the "SU" designation means that rates listed under the identifier do not reflect collectively bargained wage and fringe benefit rates. Other designations indicate unions whose rates have been determined to be prevailing.

WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

- * an existing published wage determination
- * a survey underlying a wage determination
- * a Wage and Hour Division letter setting forth a position on a wage determination matter
- * a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour Regional Office for the area in which the survey was conducted because those Regional Offices have responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board
U.S. Department of Labor
200 Constitution Avenue, N.W.
