**UNIQUE DELIVERY INSTRUCTIONS**

Delivery is downtown Washington DC. Security will require truck to be inspected by US Capitol Police. Delivery will have to be after hours or weekend due to occupancy and to an adjacent building's loading dock (i.e. without its own loading dock) connected by a pedestrian tunnel. Distance from loading dock to the elevator is approximately 3000 feet. Tunnel/hallways suitable for carts. Elevator has adequate hoist capacity for individual pieces, however main brake section should be assumed to have to be rigged diagonally top/opposite-bottom inside cab to fit. Elevator goes down one floor directly into a 1500 SF newly renovated shop area.
